#### IV. STATEMENT OF FACTS:

(Explain what happened in your own words. You do not have to cite legal authority in this section. Be specific about names, dates, and places. Explain what each Defendant did. Remember to number every paragraph.)

Plaintiff, ARTHUR LOPEZ, was born in  
Los Angeles, California on February 7, 1967 and has Hispanic-  
Mexican Roots and Heritage as his Mother was born in  
Mexico before migrating to the United States and  
becoming a U.S. Citizen many years ago.  
Plaintiff also has a strong Love for his  
Catholic-Christian Religion and Faith which  
is firmly grounded in "Love of thy Neighbor"

Religious Beliefs. In fact, Plaintiff and his Parents  
first purchased current residence as a new  
home in the Sierra Del Oro - Standard Pacific Development  
in 1991. Plaintiff's Parents remain sole owners  
of the residence.

However, despite Plaintiff's peaceful living in  
Corona, on November 21<sup>st</sup>, 2017 while Plaintiff  
is on his phone with the United States Court  
of Appeals for the 9<sup>th</sup> Circuit gathering case information  
for the filing of Case # SA CV 17-02038 VBF (MRL)  
the same day, Defendants arrived on Plaintiff's  
residential street - Bloomfield and unlawfully  
seized Plaintiff's vehicle despite the vehicle  
being lawfully parked with Registration Fees

1 Being Paid In Full since September 15, 2017 and  
 2 the vehicle having been Registered to Plaintiff  
 3 since being purchased new in 2007  
 4 @ Newport Lexus in Newport Beach (9/8/07),  
 5 in full compliance with California Vehicle  
 6 Code 4000(a). This code specifically  
 7 cites two requirements for an automobile  
 8 to lawfully leave standing on a highway:

9 1.) Registered in Owners Name and 2.) Registration  
 10 fees being paid. Both of which had been satisfied  
 11 for sometime and not only is this data confirmed  
 12 by Department of Motor Vehicle documentation  
 13 attached and presented to various Corona Police  
 14 Department personell on November 21<sup>st</sup>, 2017, but it is  
 15 also readily available through Police Department vehicle  
 16 information databases.

17 Furthermore, the defendants cited California Vehicle Code  
 18 22651("o") as the authority for seizing vehicle. However,  
 19 this vehicle code specifically requires the vehicle  
 20 Registration expiration date be in excess of six months  
 21 and as the Department of Motor Vehicles - Vehicle  
 22 Registration Documents clearly reflect the "New  
 23 Expiration Date" is 9/8/2018 since  
 24 September 15, 2017. In fact, Plaintiff presented  
 25 all of this unambiguous documentation clearly  
 26 reflecting the Registration is paid in full  
 27 and the vehicle is Registered in Plaintiff's  
 28 Name since September 8, 2007.

Plaintiff has included California Legislative Information specific to both CALIFORNIA VEHICLE CODES 4000(a) and 22651 ("D") following the Corona Police Department Complaint and Vehicle Registration Documentation as part of this complaint. Please note Plaintiff initiated his phone call to the United States Court of Appeals for the 9th Circuit @ 10:46 am. and the Vehicle Report from Corona Police Department signed by Defendant Jimmie Birmingham is timed @ 11:06 am. Plaintiff did not learn of the Defendants' Unlawful seizure of his automobile until after 3pm as he attempted to leave his residence to file the U.S. District Court Complaint against the State of California in Riverside's - Eastern Division approximately 20 miles away with a closing times of 4pm. This is noteworthy since November 22nd, 2017 would be the second year anniversary of an incident involving the Newport Beach Police Department and two officers who withheld key evidence to manipulate the outcome of a trial and prejudice Plaintiff in his custody process with his ex-wife (of fourteen years). In any case not filing the State of California case on 11/21/2017 may create further complications in resolving those issues.

Nevertheless, Plaintiff presented all of the above facts to several Corona Police Dept.

personell the evening of November 21<sup>st</sup>, 2017 and was denied recovery of his vehicle by Sgt. Hamacher, (Badge # 11526) unless Plaintiff agreed to pay a \$215 commission to the Corona Police Department / City of Corona and agreed to pay hundreds of dollars to Hammer Towing, Inc. located @ 2125 Railroad Street; Corona, Ca 92878-0489 951-734-9331.

Additionally, Plaintiff returned during business hours again on November 22<sup>nd</sup>, 2017 to the Corona Police Department and the City of Corona - City Hall - Clerk. But no one would release Plaintiff's vehicle despite being fully compliant and even presenting a Department of Motor Vehicle Operating Permit. On 11/22/2017, Plaintiff presented documentation to Supervisor - Traffic Division - Defendant Joseph Brown (#0022235), and Lte Auck (Badge # 11010) and Sgt. Eveland (Badge # 11010). All of which disregarded Registration Fees being paid up to date and Plaintiff having been Registered Owner since 2007 and all ignored Ca Veh. Codes cited as their authority for seizing vehicle.

Lehas & Brady  
and then says #00001

Moreover, the Defendants presented no warrant nor was any crime being committed as the vehicle was stationary on the street registered as Plaintiff's home address<sup>street</sup> on the vehicle - DMV. data base. In addition, the Thanksgiving Holiday has also presented additional impediments in communicating with Defendants regarding the vehicle's release since

1 there are no systems in place to offer redress  
 2 to any of these unlawful acts by the  
 3 defendants.  
 4

5 In Summary, Defendants have willfully  
 6 and with full knowledge of their unlawful  
 7 acts continued to deprive Plaintiff of not only  
 8 his property, but also have deprived Plaintiff  
 9 of redress of his grievances and have deprived  
 10 Plaintiff of Due Process and Equal Protection  
 11 Under the Law, all in violation of  
 12 the United States Constitution Civil Rights  
 13 under the First, Fourth, and Fourteenth  
 14 Amendments. Further more, Defendants have  
 15 all conspired to deny Plaintiff and interfere  
 16 with his Civil Rights.  
 17

18 This Court should take judicial notice of the fact  
 19 that Defendant - Corona Police Department is  
 20 an active member of the California Police Chief  
 21 Association and Plaintiff has been a target  
 22 of Police Misconduct and the following case numbers  
 23 represent Plaintiffs request for Relief through the  
 24 U.S. District Court for the Central District and  
 25 The U.S. Court of Appeals for the Ninth Circuit,  
 26 SACV-16-02267, SACV 17-00297, SACV-17-00488,  
 27 SACV 17-00845, SACV-17-00752 and 14 Appeals.  
 28

In closing, the Defendants systematically as a matter of policy deprive Plaintiff of his U.S. Constitutional Civil Rights, including deprivation of Peace and Liberty, to be secure within his person, secure of property, deprived of redress, deprived of due process and deprived of equal protection under the law. They are operating outside of California Law and out of the boundaries of Federal - Constitutional Civil Rights with the incentive to add \$215.00 per incident to their coffers and to enrich their partners including Tow companies like Hammer Towing, Inc. Moreover, the Corona Police Department personnel are hostile, confrontational - while being armed with a gun - at the Police Station by denying documentation for preparation of this Federal Civil Rights Complaint, practicing hours in needless delays, engaging in hostile encounters with other families including children in the lobby - circa Sep - 11/22/2017 all the while being armed with guns. Jimmie Birmingham seized vehicle 11/21/2017 @ 11:06 am. Def. Joseph Brown (Traffic Dept Leader) refused to Relinquish Plaintiff's vehicle to him upon confirmation of Registration New Exp. date of 9/8/2018 - on 11/22/2017.

For all these reasons Plaintiff respectfully and humbly seeks relief from this court to include not \$1,000,000.00 but also an injunction from this type of harassment and

1 an injunction relief from seizure of Plaintiff's  
2 automobile for any Registration related  
3 matter so long as Plaintiff continues to  
4 pay registration fees up to date - current  
5 registration fees are paid in full through  
6 September 8, 2018.

**IF COMMENT FORM CONCERNS A COMPLAINT - PLEASE READ & SIGN BELOW**

You have the right to make a complaint against a police officer for any improper police conduct. California law requires this agency to have a procedure to investigate citizens' complaints. You have a right to a written description of this procedure. This agency may find after investigation that there is not enough evidence to warrant action on your complaint; even if that is the case, you have the right to make the complaint and have it investigated if you believe an officer behaved improperly. Citizen complaints must be retained by this agency for at least five years.

My signature below serves as verification that I have read and understand the above statement and that my statement is accurate and completely describes my comment or complaint.

into the Police station and speak to officer on duty after recovering documentation from the glove compartment of vehicle @ Hammer Tow. Complainant followed instructions and visited to Corona PD @ about 5pm. spoke to Ms. Weldon @ the counter. Ms. Teresa on the phone and was directed to Sgt. Gamache, Badge # 11526 and after discussing the clear DMV Documentation reflecting New Exp. Date of 9/8/18 he suggested I visit Traffic Sgt @ the station the following morning when they would be available. Sgt. Gamache and Complainant also reviewed CVC 4000(a) and acknowledged the two requirements to satisfy the code are the Registration fees being paid up to date and the registration reflecting the Registered Owner as ~~ARTHUR~~ Lopez Both of which have been met. Furthermore, he confirmed that given the documentation reflecting 9/8/18 as the New Exp. Date he personally would not have impounded vehicle. Complainant agreed to leave copies of the DMV documents and follow his suggestion to return tomorrow. Complainant requested waiver of the \$25 City Release Fee and all Impound Fees due to Hammer Tow (quoted @ \$275 - as of today up to 5pm). - ~~Arthur Lopez~~

(4) Beginning July 1, 2011, the enforcement of paragraph (1) shall commence on the first day of the second month following the month of expiration of the vehicle's registration. This paragraph shall become inoperative on January 1, 2012.

(b) No person shall drive, move, or leave standing upon a highway any motor vehicle, as defined in Chapter 2 (commencing with Section 39010) of Part 1 of Division 26 of the Health and Safety Code, that has been registered in violation of Part 5 (commencing with Section 43000) of Division 26 of the Health and Safety Code.

(c) Subdivisions (a) and (b) do not apply to off-highway motor vehicles operated pursuant to Sections 38025 and 38026.5.

(d) This section does not apply, following payment of fees due for registration, during the time that registration and transfer is being withheld by the department pending the investigation of any use tax due under the Revenue and Taxation Code.

(e) Subdivision (a) does not apply to a vehicle that is towed by a tow truck on the order of a sheriff, marshal, or other official acting pursuant to a court order or on the order of a peace officer acting pursuant to this code.

(f) Subdivision (a) applies to a vehicle that is towed from a highway or offstreet parking facility under the direction of a highway service organization when that organization is providing emergency roadside assistance to that vehicle. However, the operator of a tow truck providing that assistance to that vehicle is not responsible for the violation of subdivision (a) with respect to that vehicle. The owner of an unregistered vehicle that is disabled and located on private property, shall obtain a permit from the department pursuant to Section 4003 prior to having the vehicle towed on the highway.

(g) (1) Pursuant to Section 4022 and to subparagraph (B) of paragraph (3) of subdivision (o) of Section 22651, a vehicle obtained by a licensed reposessor as a release of collateral is exempt from registration pursuant to this

section for purposes of the reposessor removing the vehicle to his or her storage facility or the facility of the legal owner. A law enforcement agency, impounding authority, tow yard, storage facility, or any other person in possession of the collateral shall release the vehicle without requiring current registration and pursuant to subdivision (f) of Section 14602.6.

(2) The legal owner of collateral shall, by operation of law and without requiring further action, indemnify and hold harmless a law enforcement agency, city, county, city and county, the state, a tow yard, storage facility, or an impounding yard from a claim arising out of the release of the collateral to a licensee, and from any damage to the collateral after its release, including reasonable attorney's fees and costs associated with defending a claim, if the collateral was released in compliance with this subdivision.

### ARTICLE 1. Authority to Remove Vehicles [22650 - 22711]

 (*Article 1 enacted by Stats. 1959, Ch. 3.*)

**22651.** A peace officer, as defined in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2 of the Penal Code, or a regularly employed and salaried employee, who is engaged in directing traffic or enforcing parking laws and regulations, of a city, county, or jurisdiction of a state agency in which a vehicle is located, may remove a vehicle located within the territorial limits in which the officer or employee may act, under the following circumstances:

- (a) When a vehicle is left unattended upon a bridge, viaduct, or causeway or in a tube or tunnel where the vehicle constitutes an obstruction to traffic.
- (b) When a vehicle is parked or left standing upon a highway in a position so as to obstruct the normal movement of traffic or in a condition so as to create a hazard to other traffic upon the highway.
- (c) When a vehicle is found upon a highway or public land and a report has previously been made that the vehicle is stolen or a complaint has been filed and a warrant thereon is issued charging that the vehicle was embezzled.
- (d) When a vehicle is illegally parked so as to block the entrance to a private driveway and it is impractical to move the vehicle from in front of the driveway to another point on the highway.
- (e) When a vehicle is illegally parked so as to prevent access by firefighting equipment to a fire hydrant and it is impracticable to move the vehicle from in front of the fire hydrant to another point on the highway.
- (f) When a vehicle, except highway maintenance or construction equipment, is stopped, parked, or left standing for more than four hours upon the right-of-way of a freeway that has full control of access and no crossings at grade and the driver, if present, cannot move the vehicle under its own power.
- (g) When the person in charge of a vehicle upon a highway or public land is, by reason of physical injuries or illness, incapacitated to an extent so as to be unable to provide for its custody or removal.
- (h) (1) When an officer arrests a person driving or in control of a vehicle for an alleged offense and the officer is, by this code or other law, required or permitted to take, and does take, the person into custody.
- (2) When an officer serves a notice of an order of suspension or revocation pursuant to Section 13388 or 13389.
- (i) (1) When a vehicle, other than a rented vehicle, is found upon a highway or public land, or is removed pursuant to this code, and it is known that the vehicle has been issued five or more notices of parking violations to which the owner or person in control of the vehicle has not responded within 21 calendar days of notice of citation issuance or citation issuance or 14 calendar days of the mailing of a notice of delinquent parking violation to the agency responsible for processing notices of parking violations, or the registered owner of the vehicle is known to have been issued five or more notices for failure to pay or failure to appear in court for traffic violations for which a certificate has not been issued by the magistrate or clerk of the court hearing the case showing that the case has been adjudicated or concerning which the registered owner's record has not been cleared pursuant to Chapter 6 (commencing with Section 41500) of Division 17, the vehicle may be impounded until that person furnishes to the impounding law enforcement agency all of the following:
  - (A) Evidence of his or her identity.
  - (B) An address within this state at which he or she can be located.

(C) Satisfactory evidence that all parking penalties due for the vehicle and all other vehicles registered to the registered owner of the impounded vehicle, and all traffic violations of the registered owner, have been cleared.

(2) The requirements in subparagraph (C) of paragraph (1) shall be fully enforced by the impounding law enforcement agency on and after the time that the Department of Motor Vehicles is able to provide access to the necessary records.

(3) A notice of parking violation issued for an unlawfully parked vehicle shall be accompanied by a warning that repeated violations may result in the impounding of the vehicle. In lieu of furnishing satisfactory evidence that the full amount of parking penalties or bail has been deposited, that person may demand to be taken without unnecessary delay before a magistrate, for traffic offenses, or a hearing examiner, for parking offenses, within the county in which the offenses charged are alleged to have been committed and who has jurisdiction of the offenses and is nearest or most accessible with reference to the place where the vehicle is impounded. Evidence of current registration shall be produced after a vehicle has been impounded, or, at the discretion of the impounding law enforcement agency, a notice to appear for violation of subdivision (a) of Section 4000 shall be issued to that person.

(4) A vehicle shall be released to the legal owner, as defined in Section 370, if the legal owner does all of the following:

(A) Pays the cost of towing and storing the vehicle.

(B) Submits evidence of payment of fees as provided in Section 9561.

(C) Completes an affidavit in a form acceptable to the impounding law enforcement agency stating that the vehicle was not in possession of the legal owner at the time of occurrence of the offenses relating to standing or parking. A vehicle released to a legal owner under this subdivision is a repossessed vehicle for purposes of disposition or sale. The impounding agency shall have a lien on any surplus that remains upon sale of the vehicle to which the registered owner is or may be entitled, as security for the full amount of the parking penalties for all notices of parking violations issued for the vehicle and for all local administrative charges imposed pursuant to Section 22850.5. The legal owner shall promptly remit to, and deposit with, the agency responsible for processing notices of parking violations from that surplus, on receipt of that surplus, the full amount of the parking penalties for all notices of parking violations issued for the vehicle and for all local administrative charges imposed pursuant to Section 22850.5.

(5) The impounding agency that has a lien on the surplus that remains upon the sale of a vehicle to which a registered owner is entitled pursuant to paragraph (4) has a deficiency claim against the registered owner for the full amount of the parking penalties for all notices of parking violations issued for the vehicle and for all local administrative charges imposed pursuant to Section 22850.5, less the amount received from the sale of the vehicle.

(j) When a vehicle is found illegally parked and there are no license plates or other evidence of registration displayed, the vehicle may be impounded until the owner or person in control of the vehicle furnishes the impounding law enforcement agency evidence of his or her identity and an address within this state at which he or she can be located.

(k) When a vehicle is parked or left standing upon a highway for 72 or more consecutive hours in violation of a local ordinance authorizing removal.

(l) When a vehicle is illegally parked on a highway in violation of a local ordinance forbidding standing or parking and the use of a highway, or a portion thereof, is necessary for the cleaning, repair, or construction of the highway, or for the installation of underground utilities, and signs giving notice that the vehicle may be removed are erected or placed at least 24 hours prior to the removal by a local authority pursuant to the ordinance.

(m) When the use of the highway, or a portion of the highway, is authorized by a local authority for a purpose other than the normal flow of traffic or for the movement of equipment, articles, or structures of unusual size, and the parking of a vehicle would prohibit or interfere with that use or movement, and signs giving notice that the vehicle may be removed are erected or placed at least 24 hours prior to the removal by a local authority pursuant to the ordinance.

(n) Whenever a vehicle is parked or left standing where local authorities, by resolution or ordinance, have prohibited parking and have authorized the removal of vehicles. Except as provided in subdivisions (v) and (w), a vehicle shall not be removed unless signs are posted giving notice of the removal.

(o) (1) When a vehicle is found or operated upon a highway, public land, or an offstreet parking facility under the following circumstances:

(A) With a registration expiration date in excess of six months before the date it is found or operated on the highway, public lands, or the offstreet parking facility.

X (C) Displaying in, or upon, the vehicle, an altered, forged, counterfeit, or falsified registration card, identification card, temporary receipt, license plate, special plate, registration sticker, device issued pursuant to Section 4853, or permit.

X (2) When a vehicle described in paragraph (1) is occupied, only a peace officer, as defined in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2 of the Penal Code, may remove the vehicle.

X (3) For the purposes of this subdivision, the vehicle shall be released under either of the following circumstances:

(A) To the registered owner or person in control of the vehicle only after the owner or person furnishes the storing law enforcement agency with proof of current registration and a currently valid driver's license to operate the vehicle.

(B) To the legal owner or the legal owner's agency, without payment of any fees, fines, or penalties for parking tickets or registration and without proof of current registration, if the vehicle will only be transported pursuant to the exemption specified in Section 4022 and if the legal owner does all of the following:

X (i) Pays the cost of towing and storing the vehicle.

X (ii) Completes an affidavit in a form acceptable to the impounding law enforcement agency stating that the vehicle was not in possession of the legal owner at the time of occurrence of an offense relating to standing or parking. A vehicle released to a legal owner under this subdivision is a repossessed vehicle for purposes of disposition or sale. The impounding agency has a lien on any surplus that remains upon sale of the vehicle to which the registered owner is or may be entitled, as security for the full amount of parking penalties for any notices of parking violations issued for the vehicle and for all local administrative charges imposed pursuant to Section 22850.5. Upon receipt of any surplus, the legal owner shall promptly remit to, and deposit with, the agency responsible for processing notices of parking violations from that surplus, the full amount of the parking penalties for all notices of parking violations issued for the vehicle and for all local administrative charges imposed pursuant to Section 22850.5.

X (5) As used in this subdivision, "offstreet parking facility" means an offstreet facility held open for use by the public for parking vehicles and includes a publicly owned facility for offstreet parking, and a privately owned facility for offstreet parking if a fee is not charged for the privilege to park and it is held open for the common public use of retail customers.

(p) When the peace officer issues the driver of a vehicle a notice to appear for a violation of Section 12500, 14601, 14601.1, 14601.2, 14601.3, 14601.4, 14601.5, or 14604 and the vehicle is not impounded pursuant to Section 22655.5. A vehicle so removed from the highway or public land, or from private property after having been on a highway or public land, shall not be released to the registered owner or his or her agent, except upon presentation of the registered owner's or his or her agent's currently valid driver's license to operate the vehicle and proof of current vehicle registration, to the impounding law enforcement agency, or upon order of a court.

(q) When a vehicle is parked for more than 24 hours on a portion of highway that is located within the boundaries of a common interest development, as defined in Section 4100 or 6534 of the Civil Code, and signs, as required by paragraph (1) of subdivision (a) of Section 22658 of this code, have been posted on that portion of highway providing notice to drivers that vehicles parked thereon for more than 24 hours will be removed at the owner's expense, pursuant to a resolution or ordinance adopted by the local authority.

(r) When a vehicle is illegally parked and blocks the movement of a legally parked vehicle.

(s) (1) When a vehicle, except highway maintenance or construction equipment, an authorized emergency vehicle, or a vehicle that is properly permitted or otherwise authorized by the Department of Transportation, is stopped, parked, or left standing for more than eight hours within a roadside rest area or viewpoint.

(2) Notwithstanding paragraph (1), when a commercial motor vehicle, as defined in paragraph (1) of subdivision (b) of Section 15210, is stopped, parked, or left standing for more than 10 hours within a roadside rest area or viewpoint.

(3) For purposes of this subdivision, a roadside rest area or viewpoint is a publicly maintained vehicle parking area, adjacent to a highway, utilized for the convenient, safe stopping of a vehicle to enable motorists to rest or to view the scenery. If two or more roadside rest areas are located on opposite sides of the highway, or upon the center

divider, within seven miles of each other, then that combination of rest areas is considered to be the same rest area.

(t) When a peace officer issues a notice to appear for a violation of Section 25279.

(u) When a peace officer issues a citation for a violation of Section 11700 and the vehicle is being offered for sale.

(v) (1) When a vehicle is a mobile billboard advertising display, as defined in Section 395.5, and is parked or left standing in violation of a local resolution or ordinance adopted pursuant to subdivision (m) of Section 21100, if the registered owner of the vehicle was previously issued a warning citation for the same offense, pursuant to paragraph (2).

(2) Notwithstanding subdivision (a) of Section 22507, a city or county, in lieu of posting signs noticing a local ordinance prohibiting mobile billboard advertising displays adopted pursuant to subdivision (m) of Section 21100, may provide notice by issuing a warning citation advising the registered owner of the vehicle that he or she may be subject to penalties upon a subsequent violation of the ordinance, that may include the removal of the vehicle as provided in paragraph (1). A city or county is not required to provide further notice for a subsequent violation prior to the enforcement of penalties for a violation of the ordinance.

(w) (1) When a vehicle is parked or left standing in violation of a local ordinance or resolution adopted pursuant to subdivision (p) of Section 21100, if the registered owner of the vehicle was previously issued a warning citation for the same offense, pursuant to paragraph (2).

(2) Notwithstanding subdivision (a) of Section 22507, a city or county, in lieu of posting signs noticing a local ordinance regulating advertising signs adopted pursuant to subdivision (p) of Section 21100, may provide notice by issuing a warning citation advising the registered owner of the vehicle that he or she may be subject to penalties upon a subsequent violation of the ordinance that may include the removal of the vehicle as provided in paragraph (1). A city or county is not required to provide further notice for a subsequent violation prior to the enforcement of penalties for a violation of the ordinance.
